For Immediate Release:

NJM/CLI Opens New Liaison Office in India for Asia, Middle East & Asia Pacific Regions

June 19, 2007 – NJM/CLI Packaging Systems Int'l announces the opening of a Liaison Office in India to cover the regions of Asia, Asia Pacific & the Middle East. The India Liaison Office is responsible for developing sales and providing customer support for NJM/CLI in the Asia, Asia Pacific, and the Middle East markets, bringing the company's innovative packaging machinery and world class service to customers' doorsteps, and packaging needs to the pharmaceutical, nutraceutical, cosmetic/personal care, food, beverage and other industrial product manufacturers.

Headquartered in Mumbai, India, the Liaison Office will be headed by Mr. V. Krishnamoorthy (Krish). Krish is also the CEO of Krish Technologies (pharmaceutical solution providers) and has been associated with the Pharmaceutical Industry supplying packaging equipment, process equipment, advanced lab equipment and integration services to manufacturers in these market regions for over 10 years.

“As an international leader in quality packaging equipment, NJM/CLI is focused on expanding its Sales and Service channels in strategically selected market areas. India & China have been identified as two such high growth strategic markets” noted Dan Lapierre, Vice President at NJM/CLI. “Krish Technologies team will provide a very important link in developing and maintaining strong customer relationships in this region.”

About NJM/CLI

NJM/CLI designs, manufactures and supplies a complete range of packaging equipment, offering customers single source responsibility, turnkey line integration services, full validation support, and after sales service and support. This benefits customers packaging pharmaceutical/nutraceutical/vitamin and personal care products. By manufacturing machines and supplying quality equipment from other leading manufacturers, NJM/CLI provides integrated lines that include a wide variety of machines, including RFID tagging solutions. NJM/CLI maintains corporate headquarters in the USA and Canada.
